ISLAM & HELPING OTHERS

We believe that all humans are born good, and that they strive to help one another and improve their communities.

Our Islamic faith gives us the motivation, purpose, and direction in shaping who we are, what we do, and why do we.

Hadith: Bhukari	• The most beloved to God, are the most beneficial to others.
Quran 31:18	• Do not turn your face away from people in contempt, nor go about in the land exultingly.
Quran 16:90	• God commands you to uphold justice and to do good to others.
Quran 107:3	• Have you seen him who goes against faith? That is the one who is rough to the orphan and does not encourage the feeding of the needy.
Hadith	• He is not a believer who fills his stomach while his neighbour is hungry.
Quran 4:36	• Be good to . . . the neighbor belonging to your people and the alien neighbor.
Quran 2:195	• Do good to others. Surely God loves those who do good to others.
Hadith	• Be merciful to those on earth, and the one in heaven surely will be merciful to you.

MESSAGE FROM THE BOARD

Assalam Alaiykum (Peace be upon you),

Dear brothers and sisters, take a good look around you. It truly is a breathtakingly beautiful sight to behold. A melting pot of faith, culture, ethnicity, and camaraderie lies within the small city of Murfreesboro, Tennessee. A hidden gem in the south. We have flourished and grown into a community that transcends the “realistic” boundaries of love and generosity. That to us is absolutely priceless.

We naturally gravitate towards one another. The need for companionship is at the very core of our humanity. Sometimes that inward struggle for amity is betrayed and evil takes the upper hand. Hope can always be found amongst the aftermath. In early 2015, three young Muslim students lost their lives amidst an individual’s betrayal of that amity. The horrific shooting incident in Chapel Hill, N.C. still haunts us to this day, but has lit a fire like no other within all of our hearts. Hope was found amongst the ashes. Something powerful and beautiful surfaced from the tragedy, a new-found purpose.

With nothing more than the will to make a difference in the world, the Murfreesboro Muslim Youth was born. Since the organization's conception, we have grown as an entity and as individuals. With the extraordinary support of our community, milestones were surpassed each and every year.

It is almost impossible to overemphasize the staggering level of support we have received from our neighbors, both locally and from a far. The friendships we have made and our experiences together are ones that will last a lifetime. Together we can leave a world behind that our children can be proud to call home.

Thank you for your support. A million times thank you for giving hope new meaning. In the word of Alan Turing, "Sometimes it is the people no one imagines anything of who do the things that no one can imagine." Together we are making the unimaginable a mere fantasy.

Thank you!

Murfreesboro Muslim Youth Board

Our activities aim to engage the youth in community services that foster relationships, establish and enhance the spirit of generosity that is found in each one of our youth, and develop a sense of pride in their Islamic identity.

OUR MISSION

Our mission is to help connect, develop, grow, learn from, and educate our youth from all age groups through community service and working together.

OUR OBJECTIVES

Our objectives are to provide our youth with opportunities to serve the community we live in, foster relationships with one another, and enhance the good nature in each one of them, all while developing a sense of pride in our Muslim identity.

OUR SERVICES

Our services fall in one of five categories based on their purpose and/or who they serve.

To encourage education and reading, the MMY aims to place Little Free Libraries in underprivileged areas in our community. Little Free Libraries are found within or outside certain buildings where anyone can borrow or leave a book of their choice.

People who this initiative serves might not be able to get to the library or might not be inclined to go, so this Little Free Library makes books more accessible to them.
