THE MMY TEAM

WE HAD A BLESSED AND FRUITFUL 2022

FROM OUR LEADERSHIP

*We could not
have done it
without you!*

Asalamu Alaikum (peace be upon you),

Thank you for a wonderful and blessed 2022! We are so blessed and grateful for the year we have had. Of course, life always comes with ups and downs. Throughout this year, we have had many ups but we have faced and tackled the downs successfully thanks to our amazing leadership and volunteers.

Our MMYCenter became a home for many of our youth, to hang out, play, study, learn, teach, help, brainstorm, and grow.

We have gained so many new fantastic volunteers and members on our board and leadership team who we are so passionate about our community and organization.

We have expanded our educational programs, brought ESL classes, brought back love your neighbor and the appreciation Iftar, created new partnerships, and Overall, we have had an awesome 2022 and we are looking forward to an even better 2023!

We are grateful to God for blessing our work, for our supporters and donors for their trust and donations, and for our team for their endless giving and faith.

Testimonials

from our youth

The MMY has not only assisted me with learning about the community but what it means to be part of the community.

Rayan Alazab

The Murfreesboro Muslim Youth organization has helped me a lot in 2022. As an individual, I have grown in significant ways. I've made many new friends, developed personal relationships, and learned new things, all while having the opportunity to give back and help others in my community.

Maya Sadek

The MMY has done so much for me. It gave me the opportunity to make connections, be more involved with my community, and most importantly it built my character and helped me become a better person. It means a lot to me because it's like a second family.

Ahmed Haj-Hussein

MMY has helped me further my Islamic belief and has also formed new connections and relationships for me with people that have the same beliefs.

Muhammad Haurami

MMY has helped me connect with more Muslims and has given me a purpose in the Muslim community.

Yusuf Ali

MMY has given me an opportunity to build intangible skills and develop alongside other members who also want to grow.

Ramez

Being a part of the MMY was the best decision I've made. The hours that I spend volunteering for the MMY are the best part of my week. I always look forward to coming into the center and seeing other volunteers and my close friends, I don't feel like I'm just helping out the community but I feel like I am with my family.

Razaz Yousif

When I came to TN, and found an organization that prioritizes community service that was very intriguing and exciting to me. It also meant a lot because community service is a big part of our religion.

Jahanzeeb Tirmizi
Jahnzeeb passed away in 2022. We miss you dearly, brother. may you rest in peace.

The MMY Center gave me a community. I didn't know anyone upon moving here and I quickly became one with the mission of the center and its people. Through the MMY, I've gotten an opportunity to meet new people, make amazing friends, and do what I love most: empowering local youth.

DID YOU KNOW!!

We were founded in 2015 as a response to the Chapel Hill, NC hate crime that took the lives of three Muslim youth (Deah, Yusor, and Razan,).

Our organization has no employees. All leaders are volunteers and they are required to donate monthly, and most of our youth contribute financially on regular basis.

To date, our team has provided over 30,000 warm meals to people in need locally.

Our work with the refugees helped tens of families with basic needs, language, driver's licenses, jobs, and more.

Our logo represents the three chapel hill victims, Deah, Yusor, and Razan reaching from within their faith (Dome) to the world, with color variety reflecting the diversity of our youth.

To date, we have provided over 20,000 volunteer hours in our community.

To date, our team has provided over \$150,000 on local crises, from rent/housing to utilities, and more.
