

2025 ANNUAL **IMPACT** REPORT

CONNECTING YOUTH.
GROWING LEADERS.
SERVING TOGETHER.

OUR MISSION

The mission of Murfreesboro Muslim Youth (MMY) is to help connect, develop, grow, learn from, and educate youth of all ages by working together and serving the community.

Through service, leadership, and shared responsibility, we create opportunities for young people to learn not only from structured programs, but from one another and from the communities they serve.

OUR VISION

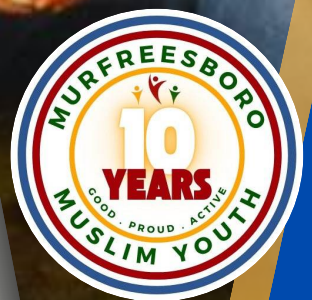

MMY envisions a community where youth are empowered to support one another, develop confidence in who they are, and strengthen the good within themselves and others — all while cultivating a deep sense of pride in their Muslim identity.

We believe that when youth are rooted in service, belonging, and purpose, they grow into leaders who care deeply about their communities and their role within them.

OUR WORK

At MMY, our mission and vision come to life through year-round programs, youth-led initiatives, and community service that bring people together across generations. We strive to create spaces where youth feel seen and supported, families feel connected, and neighbors are met with dignity and care.

Everything we do — from service projects to community gatherings — is guided by the belief that working together strengthens not only individuals, but the entire community.

2025 BOARD OF DIRECTORS

Our board plays an active role in governance, financial accountability, and long-term planning, working closely with the core leadership and volunteers to ensure that MMY remains mission-aligned, financially responsible, and responsive to community needs. Board members help guide organizational strategy, support fundraising and partnerships, and serve as ambassadors for MMY within the broader community.

Together, our board helps ensure that MMY operates with transparency, integrity, and care — honoring the trust placed in us by our community, partners, and supporters.

These investments allowed MMY to deliver services, maintain space for community gathering, and operate responsibly throughout the year.

YOU SAVED MMY IN 2025

In 2025, Murfreesboro Muslim Youth reached a critical crossroads. After 10 years of service, MMY faced the possibility of closing its doors at the end of the year without significant financial support. It was a moment that tested not just the organization, but the strength of the community around it.

And this community responded.

YOU SHOWED UP STRONG!

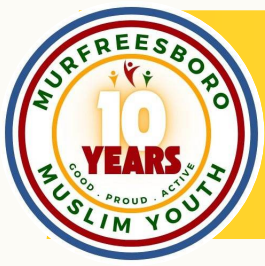

Over the course of just five weeks, community members, partners, and supporters came together to ensure MMY could continue its work.

Together, you helped raise:

- **\$30,165** through community giving
- **\$25,000** through a matching grant from The Healing Trust
- Total raised: **Over \$55,000**

This support made it possible for the MMY Center to remain open for another year, ensuring youth programs, community services, and gatherings could continue without interruption.

YOU SAVED MMY IN 2025

A COMMUNITY-WIDE EFFORT

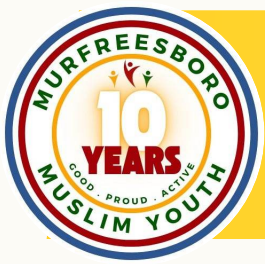

This pivotal moment was met with **generosity** from every corner of the community, including:

- **121** individual donors
- **Benefit dinner** hosts and guests
- MMY **sponsors** and **volunteers**
- Community Action of Rutherford County hosted a benefit dinner in MMY's honor
- **The Healing Trust** matched our fundraising efforts with a **\$25,000** gift

Together, this collective effort stabilized our organization, allowing us to look ahead with renewed hope and confidence.

This moment reaffirmed something we have always believed:
MMY is not just an organization. It is a community that shows up when it matters most.
